Faculty members considering appropriate external employment opportunities, such as business consulting, should contact the Dean’s office to determine the appropriate actions to take if any faculty must receive explicit written permission from the Dean before agreeing to teach simultaneously at any other institution.

The Faculty Consulting and External Professional Employment Application and Approval form must be completed. The form can be obtained from the University Human Resources. The form can also be found in [University Rule 31.05.01.C1](https://example.com) (Faculty Consulting, External Professional Employment, and Conflict of Interest).
