## The Practicum Experience

The practicum (internship) experience is an integral part of the principal and superintendent preparation programs. Students must complete 160 clock hours of administrative experiences while enrolled in EDAD 5399 School Administration Practicum (Principalship) or EDAD 5398 Practicum in the School Superintendency (Superintendent). These administrative experiences are designed to be accrued during the fall or spring semester. However, immediately prior the practicum semester, students may collect/record up to 20 hours, with the approval of the University Field Supervisor. The Principal (Campus Supervisor) or Superintendent (District Supervisor) should be directing the campus activities developed in the proposal and be interacting meaningfully with the candidate concerning these experiences.
Final (Comprehensive) Exam

The Master of Science Degree (MS) in Educational Administration includes a final comprehensive examination which includes a required written component and may include an oral component depending on the outcome of the written component. The final comprehensive examination may not be conducted prior to the mid-point of the semester or the summer session the student will complete the remaining required coursework. Deadlines for the final/comprehensive exam are set to ensure compliance with the timeline set by the College of Graduate Studies.

To be eligible to take the final exam, a student must have applied for graduation. Notification of the date/time of the exam will be sent to those students who have applied for graduation within the first five weeks of their final semester (spring or fall) or by the second week of June for an August graduation. It is the student’s responsibility to apply for graduation and then check his/her email account (University Islander account) that is set up to receive university information.

TExES Testing Policy
(Effective September 1, 2015)

In an effort to ensure success on TExES state certification exam for the principalship and superintendency, students are required to take a Practice TExES exam or review session before approval to test for a state exam will be granted. This includes students who have completed the Certification Program and have never taken a state exam.

If a candidate waits several years after completing his/her educational administration master’s degree, the principal certification program or the superintendent certification program to take a state exam, they will be required to take the Practice TExES exam again and/or required to take additional coursework before test approval will be granted.

It is highly recommended that all certification candidates take their state exams before completing the Certification Program and apply for certification once all requirements have been met.

Texas Sec. 21.048. Certification Examinations

New Texas Education Agency Rule: Individuals may take the same exam a total of five times. After the fifth attempt, the TEA will have to give approval to retake the exam.

Texas A&M University-CC: TExES Principal and Superintendent Exams Remediation Policy

In the event a candidate fails the principal or superintendent exam, there is a state mandated 45-day wait period before a retest is available.
Students who do not pass a state exam will be required to complete an assigned remediation activity before test approval will be granted. Program faculty will determine the remediation activity after an assessment of the individual’s test results has been completed.

This policy applies to current students in the Educational Administration Program and candidates who have recently completed the program up until one year after completion. Remediation activities will continue until the candidate passes the state certification exam or up until one year after program completion, whichever comes first.

Candidates who have not taken and passed certification exams and/or applied for certification within five years of program completion date will be required to repeat or complete additional coursework, pass practice exams and engage in the services of outside test preparation programs. Failure to complete all requirements in the certification process within this timeframe may render the candidate ineligible to continue testing or be recommended for certification by Texas A&M University-Corpus Christi. **Texas A&M University-Corpus Christi reserves the right to deny certification recommendation beyond five (5) years of candidate program completion without any further consideration.** Appeals related to any portion of this program policy must be made in writing to the Dean of the College of Education and Human Development at Texas A&M University-Corpus Christi, with information copies of the appeal provided to the appropriate department chair and program coordinator.

**Waiver Application of Four-Time Retake Limitation of Certification Examination**

The Texas Education Code Section 21.048 (a-1) specifies that a person may not retake an examination more than four times unless the State Board for Educator Certification (SBEC) waives the limitation for good cause. Good cause is defined as a substantial change in the degree of the candidate’s learning by way of education, work, experience, and/or training that makes it probable the candidate will pass the examination for which the waiver is submitted. The burden of proof is on the applicant to demonstrate good cause.

The waiver application must arrive by mail at the address below not later than 45 calendar days prior to an SBEC meeting to be considered at the meeting. SBEC meeting dates can be found at [http://tea.texas.gov/About_TEA/Leadership/State_Board_for_Educator_Certification/SBEC_Meetings/State_Board_for_Educator_Certification_Meetings/](http://tea.texas.gov/About_TEA/Leadership/State_Board_for_Educator_Certification/SBEC_Meetings/State_Board_for_Educator_Certification_Meetings/).

Waiver Requests received after the 45-day deadline will be eligible for the next SBEC meeting. Faxed or emailed applications will not be accepted.

Texas Education Agency Educator Testing  WBT 5-100  1701 North Congress Avenue Austin, Texas 78701-1494
